House Bill NO. 22

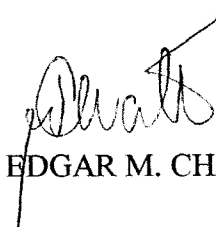

Introduced by HON. EDGAR M. CHATTO
1ST DISTRICT, BOHOL

EXPLANATORY NOTE

This bill seeks to convert the existing Sandingan Island Circumferential Road, Municipality of Loon, Province of Bohol to a national road.

The nationalization of this circumferential road will improve the economic conditions of the constituents in the locality by facilitating efficient delivery of their fresh farm and sea products to the market. This will also jump-start the tourism industry in the area, already thriving in various part of the province. The commuting public can be assured of a faster and safer service by various transportation systems plying along this route.

During the 12th Congress, this bill was referred to the Joint Senate Committees on Public Works and Finance on 1st Reading. But due to time constraints, it was never taken up again. This bill is therefore re-filed for the consideration of this Congress.
