THIRTEENTH CONGRESS
First Regular Session

House Bill No. **26**

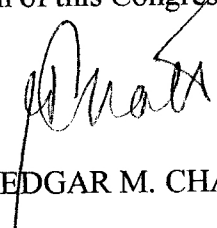

Introduced by HON. EDGAR M. CHATTO
1ST DISTRICT, BOHOL

EXPLANATORY NOTE

This bill seeks to convert the existing Antequera-San Isidro-Libertad (Tubigon) Provincial Road to a national road, which links the fertile agricultural farmlands of the Municipalities of Antequera, San Isidro and Tubigon all in the Province of Bohol.

Once nationalized, this road will improve the present income of farmers, thereby empowering them to regularly provide for the basic needs of their families and children. This will pave the way for an efficient delivery of fresh farm products to the market, where they will be sold in large quantities at reasonable prices. The commuting public can be assured of a faster and safer service by various transportation systems plying along this route. This will also impact on other livelihood industries in Antequera and San Isidro towns. Both foreign and local visitor arrival may also increase, since this road passes through scenic and tourist attractions overlooking the breathtaking panoramic Bohol Strait.

During the 12th Congress, this bill was referred to the Joint Senate Committees on Public Works and Finance on 1st Reading. But due to time constraints, it was never taken up again. This bill is therefore re-filed for the consideration of this Congress.
