HOUSE BILL NO. 72

Introduced by : **REP. RAUL V. DEL MAR**

EXPLANATORY NOTE

The attached bill seeks the establishment of a pre-school learning centers at the barangay level in the First District, Cebu City, which shall be under the supervision of the Department of Education, Culture and Sports.

The fundamental law of the land recognizes the vital role of the youth in nation-building and has specifically tasked the State to promote the intellectual, physical, moral and social welfare of the youth. It is a long road to youth development and therefore the need to start early is there.

This bill, once enacted into law, shall hasten the youth development process by starting at a level when the child is developing or starting to develop his senses and faculties. Truly, there is nothing like starting them young – at the pre-school learning level.

In this light, approval of the bill is earnestly sought.
