

Republic of the Philippines
House of Representatives
Quezon City

Thirteenth Congress

First Regular Session

HOUSE BILL NO. 134

Introduced by **Representative JOEY SARTE SALCEDA**

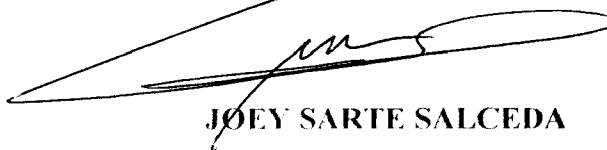

EXPLANATORY NOTE

The Buga High School-Libon Agro-Industrial Extension High school has functioned under the supervision and administration of the Libon Municipal Agro-Industrial High School, in Libon, Province of Albay.

To improve the quality of education of this school, this representation has deemed it necessary that the Buga High School-Libon Agro-Industrial Extension High School be granted its own Charter to enable fiscal and academic autonomy in the pursuit of its own mandate. As a separate and distinct learning institution, it would enable its administration to be more responsive to the needs of its resident students.

Hence, this bill proposes the conversion of the Buga High School-Libon Agro-Industrial Extension High School into a national high school to be known as the Buga National High School in Barangay Buga, Municipality of Libon, Province of Albay.

In view of the foregoing, immediate approval of this bill is earnestly sought.
