Thirteenth Congress

HOUSE BILL NO. **154**

Introduced by Honorable Constantino G. Jaraula

EXPLANATORY NOTE

This Bill was filed with the 11th Congress as House Bill No. 2292 and the 12th Congress as House Bill No. 1181, with the following Explanatory Note:

"This bill seeks the establishment of the Balulang High School in Barangay Balulang, City of Cagayan de Oro.

"Regardless of their status in life, Filipino parents fervently believe that education is the most important and long-lasting legacy that they could give their children. Thus, even during the time of economic crisis, they sacrifice hard earned money and property just to send their children to school. However, this quest for good education at the early stage of the learning process is hindered by lack of accessible schools and the constantly rising cost of education. Hence, the establishment of a national high school in strategic places such as Barangay Balulang, City of Cagayan de Oro is a necessary step to realize the right of all citizens, particularly the underprivileged, to equal opportunity to quality and affordable education."

It is imperative that this Bill be approved by the 13th Congress.
