

Republic of the Philippines
HOUSE OF REPRESENTATIVES

Thirteenth Congress

First Regular Session

HOUSE BILL NO. 159

Introduced by Honorable Constantino G. Jaraula

EXPLANATORY NOTE

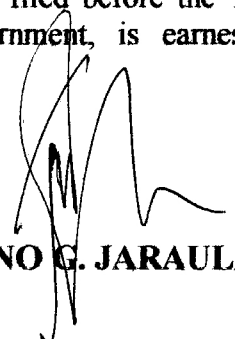

This Bill was filed with the 11th Congress as House Bill No. 3010 and with the 12th Congress as House Bill No. 1187, with the following Explanatory Note:

“This bill seeks to establish a ten-bed capacity hospital in Barangay Taglimao, Cagayan de Oro City.

“It is a constitutional mandate that the State shall protect and promote the right of the people to basic health services. It is the primordial concern of the undersigned that a minor hospital with a ten-bed capacity be established in Barangay Taglimao, Cagayan de Oro City to cater to the health needs of patients in said area and the neighboring barangays.

“The increasing need for medical attention of our fast growing constituents particularly the indigents would be addressed by the creation of a mini-hospital. The common folks, whom the proposed hospital shall serve, will surely be the beneficiaries since they will not have to spend their hard-earned money for treatment. Likewise, they do not have to travel far.”

In view of the foregoing, approval of this bill, which was filed before the 12th Congress but was not acted upon at the time of its adjournment, is earnestly recommended.
