Thirteenth Congress

First Regular Session

HOUSE BILL NO. 161

Introduced by Honorable Constantino G. Jaraula

EXPLANATORY NOTE

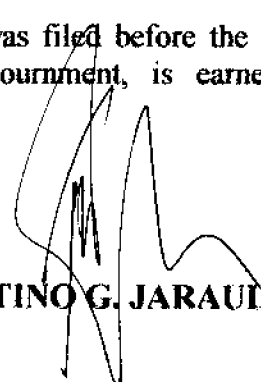

This Bill was filed with the 11th Congress as House Bill No. 7520 and the 12th Congress as House Bill No. 1190, with the following Explanatory Note:

"This Bill seeks to convert the Gusa National High School Annex at Barangay Indahag, City of Cagayan de Oro, into a separate, independent and distinct high school to be known as Indahag National High School.

"This satellite high school was established in order to service the studentry in Barangay Indahag and neighboring barangays, offering a complete secondary course. With the passage of time, student populace have soared, making the school ripe for independence. Moreover, the principal administering the mother unit, Gusa National High School, could no longer manage to handle such satellite school efficiently because of the added load brought about by its transformation into a regional science high school.

"Barangay Indahag is among the barangay which is part of a residential subdivision being developed by Fil-Estate Realty. In the process of modernization, influx of people continually rise, thus, making the present state of the satellite school more predisposed to higher student populace.

In view of the foregoing, approval of this bill, which was filed before the 12th Congress but was not acted upon at the time of its adjournment, is earnestly recommended.
