THIRTEENTH CONGRESS

First Regular Session

House Bill No. 239

Introduced by **HONORABLE RODRIGUEZ D. DADIVAS**

EXPLANATORY NOTE

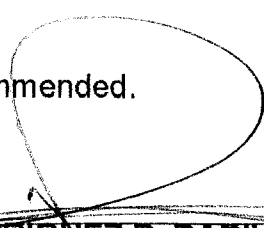

This bill seeks to convert the 9.6-kilometer Conciencia-Tinigban Road in the Municipality of Panitan, Province of Capiz into a national road.

This road network connects the Municipality of Panitan to the municipality of Maayon in the 1st District of Capiz. Improving the rough conditions of the road shall greatly benefit the residents of two municipalities, shortening the travel distance between them by five kilometers. The area traversed by this road network is generally agricultural. Development of this important road artery shall therefore benefit the farmers of the area facilitating the easy transportation of their agricultural products.

While the Province of Capiz recognizes the vital role of roads in facilitating trade and ushering further development in the area, it does not have enough capabilities to properly maintain its road networks. This bill therefore seeks to convert the Conciencia-Tinigban Road into a national road to ensure its proper maintenance given the availability of equipment and capability of the national government to provide ready funds for this purpose.

This measure is subsequent to the version which was filed during the Twelfth Congress and is adapted from the said version's second reading copy in the House of Representatives. The Twelfth Congress version of this bill was transmitted to the Senate but the insufficiency of time impeded its passage into law.

The immediate approval of this bill is therefore recommended.
