THIRTEENTH CONGRESS

First Regular Session

House Bill No. **254**

Introduced by **HONORABLE RODRIGUEZ D. DADIVAS**

EXPLANATORY NOTE

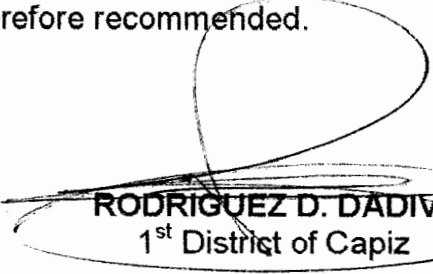

This bill seeks to convert the 3.8-kilometer Adlawan-Liong-Jumagicjic-San Jose-Cabugao Road in Roxas City in the 1st District of Capiz into a National Road.

This road connects five agricultural barangays of Roxas City. Concreted two years ago, the development of the said road has greatly provided the farmers easy access to the city, especially during the rainy season. It has facilitated the transport of agricultural produce from the farming communities to their markets in the city. Given its utmost utility to the Roxas City farmers, the said road network should be properly maintained.

While the City recognizes the vital role of roads in facilitating trade and ushering further development in the area, it does not have enough capabilities to properly maintain its road networks. This bill therefore seeks to convert Adlawan-Liong-Jumagicjic-San Jose-Cabugao Road into a national road to ensure its proper maintenance given the availability of equipment and capability of the national government to provide ready funds for the purpose.

This measure is subsequent to the version which was filed during the Twelfth Congress and is adapted from the said version's second reading copy in the House of Representatives. The Twelfth Congress version of this bill was transmitted to the Senate but the insufficiency of time impeded its passage into law.

The immediate approval of this bill therefore recommended.
