HOUSE BILL NO.: 425

Introduced By: **HONORABLE JOSE CARLOS V. LACSON**

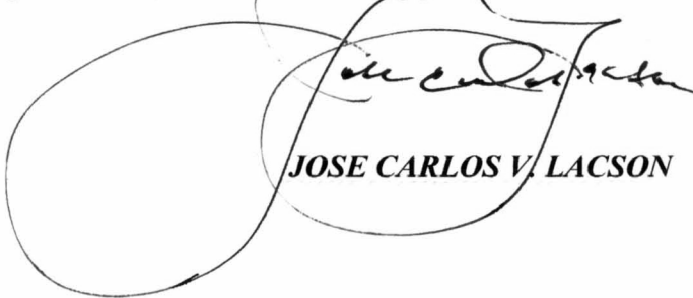

Explanatory Note

This bill seeks to establish a Barangay National High School situated in Barangay Efegenio Lizares in the City of Talisay, Province of Negros Occidental to be known as the Barangay Efegenio Lizares National High School.

The proposed Barangay National high School is situated at the center of two (2) National High Schools with a distance of a 5 to 7 kilometers from the existing Don Enrique Lizares Elementary School. The children that graduate from this particular elementary school have to commute to go to the nearest high school, which is 5 to 7 kilometers. Most parents of these children are farm workers can not afford to send their children to the poblacion to study, and the fear that their children's safety will be a stake due to the distance of travel.

The Parent-Teacher Association and the Barangay Captain, believe that there should be a Barangay High School because due to the distance, the parents of these children can not afford to send their children to the schools at the poblacion, it is more than enough students that go to the nearest elementary school and the establishing of this school will ease the financial burden of the parents for the food & transportation of their children.

Hence, early approval of this measure is strongly recommended.
