House Bill No. 450

Introduced by Rep. Manuel "Way Kurat" E. Zamora

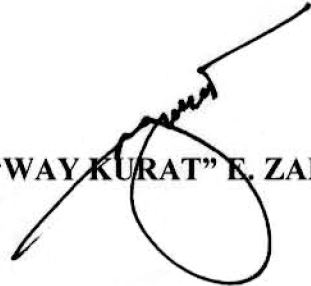

EXPLANATORY NOTE

There is a blatant anomaly when the subordinate is receiving a compensation pay much higher than the one in charge. Certainly, something is gravely wrong when someone directly under the administrative and technical supervision of another gets paid more than the latter.

This is exactly the case between Schools District Supervisors and Principals or School Heads. Presently, the District Supervisor's Salary Grade is nineteen (SG 19) while the Salary Grade of a Secondary School Principal IV is Salary Grade 21 (SG 21). It is obvious that Schools District Supervisors are being discriminated against by receiving a salary lower than what is being received by School Principals when in fact, the latter is under the supervision of the former.

This bill seeks to correct this anomaly by giving what is due to the Schools District Supervisor commensurate with the duties and responsibilities that they perform.

Hence, the immediate and favorable passage of this bill is earnestly requested.
