House Bill No. 466

Introduced By **Honorable ERWIN L. CHIONGBIAN**

EXPLANATORY NOTE

This bill seeks to separate Salakit Public High School Annex in Barangay Salakit, Municipality of Kiamba, province of Sarangani from the Kiamba National High School in the same municipality of the same province and convert the same into a separate national high school to be known as the Salakit National High School.

Since its creation, the Salakit Public High school has been dependent financially and administratively on the mother school, Kiamba National High School. Through the years, the number of students have increased. As the student population doubled, so are the problems of administration and operation. It is for this reason that the Parents, Teachers and Community Association of Salakit Public High School endorsed Resolution No. 97-001 expressing their desire of having Salakit Public High School Annex separated from the mother school and be declared distinct and independent. It is likewise manifested in said resolution that the present school has permanently acquired a school site of its own and actually had complied with the basic requirements of an independent school such as buildings, school site, facilities and other improvements. And with the conversion of the Salakit Public High School Annex into an independent national high school, it will be properly administered.

With the approval of this proposed bill not only students from Salakit but also from nearby barangays will be serviced, thus improving and promoting the quality of education of the youth in the area.

Early approval of this bill is so sought.
