House Bill No. 475

Introduced by Congressman JOSE G. SOLIS

EXPLANATORY NOTE

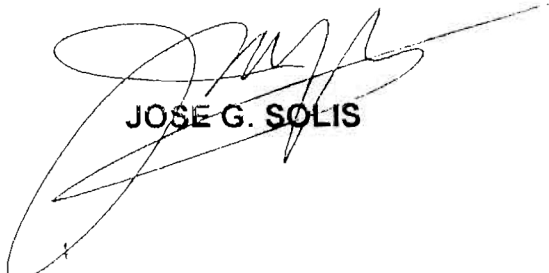

This bill seeks to establish a National High School in Barangay Butag, Municipality of Bulan, Province of Sorsogon, to be known as the Butag National High School.

As stated by our National Hero, Dr. Jose G. Rizal, the school "is the basis of society. It is the book in which is written the future of the nations." The school of the people will show us what the people is.

As provided for in our Constitution, and in view of the safeguards and promotion of the rights of our citizens to quality education in all levels, this representation has envisioned to undertake appropriate measures to enable the people of Barangay Butag and nearby barangays in the Municipality of Bulan to acquire such an education.

The people of Butag value education like a precious gem. They are aware that it is through education that the future of their children is insured. They recognized that education is the best legacy they can bestow their children.

Due to the conversion of the former Bulan Vocational High School into Sorsogon State College, located at the town proper of Bulan,
