HOUSE BILL NO. 532

INTRODUCED BY HON. FRED H. CASTRO

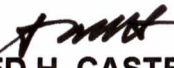

EXPLANATORY NOTE

This bill seeks to establish a regular district office of the Land Transportation Office in Dumalag, Capiz in complimentary efforts to the government's thrust of bringing services closer to our people.

The present LTO Office which is located in Dumalag is just an extension office while servicing the whole 2nd District of Capiz. Therewith, this extension office is often clogged with registrations of vehicles and for hire vehicles, drivers' licenses, and voluminous, related transactions which will take more than two to three weeks to accomplish and it needs to expand into a district office.

Furthermore, considering the business activities and opportunities in the area and its proximity to its neighboring municipalities and since the said extension office is already there, Dumalag is, therefore, an ideal site for the establishment of a regular district office of the LTO.

In view hereof, early approval of this bill is earnestly urged.
