HOUSE BILL NO. 581

Introduced by **HON. ARNULFO P. FUENTEBELLA**

EXPLANATORY NOTE

This bill seeks to convert the **JUNCTION KINALANSAN-MANSANA-TELEGRAPO ROAD**, presently classified as a provincial road into a National Secondary Road.

The **JUNCTION KINALANSAN-MANSANA-TELEGRAPO ROAD** is a 3.8 kilometer roadway starting from San Jose-Sabang Road, a road proposed for conversion into a national secondary road. The area traversed by this road is littered with fine beaches frequented by local tourists especially during summer. Presently beach resorts are being constructed one after another.

The existing roadway is completely paved but in dire need of repairs in some sections. Unfortunately, the provincial government is hard pressed for funds for the repair works. It is, therefore, imperative to pass onto the national government the burden of maintaining this road as early as possible before the road becomes impassable and irreparable.

It is therefore in this light that the early approval of this bill is earnestly sought for.
