HOUSE BILL No. 598

Introduced by REP. FRANCIS G. ESCUDERO

EXPLANATORY NOTE

It has been often said that our men and women in the government service, particularly those who have devoted their years in the government for more than twenty or thirty years despite meager salaries are so called unsung heroes of our country. But beyond this recognition, nothing much appears to await them as they leave the government service.

This bill therefore aims to give due recognition to these unsung heroes by the expedient act of promoting them ONE GRADE HIGHER at the time of their retirement, an assurance that when they leave the government service, they have been daily rewarded.

This system of AUTOMATIC PROMOTION is an enshrined policy in the military and there is no compelling reason why said system should not likewise be extended to the civil service.

Approval of this Bill is earnestly sought.
