HOUSE BILL No. 625
6098 / 3174

Introduced by **REP. FRANCIS G. ESCUDERO**

EXPLANATORY NOTE

Barangay Behia in the Island of Bagatao, Municipality of Magallanes, Province of Sorsogon is strategically located wherein adjacent barangays and sitios having three (3) elementary schools will benefit in the establishment of a Barangay High School.

This Bill aims to bring the services of free secondary education closer to the far-flung underserved barangays of Magallanes town in line with the program of free education for all.

More so, the unfavorable weather condition that makes transportation difficult from the Island of Bagatao to the mainland during stormy season or the southern monsoon worsen the situation. So, it is highly reasonable and logical that a high school in Barangay Behia, Island of Bagatao in the Municipality of Magallanes be opened to solved this problem.

It is for these reasons that the establishment of a high school in Barangay Behia, Island of Bagatao in the Municipality of Magallanes, Province of Sorsogon is being sought.
