

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

THIRTEENTH CONGRESS
FIRST REGULAR SESSION

HOUSE BILL NO. 662

INTRODUCED BY HONORABLE ALIPIO CIRILO V. BADELLES

EXPLANATORY NOTE

This is a re-filed legislative proposal enrolled in the Twelfth Congress as House Bill No.1099 in response to the clamor of residents of Barangay Tambacan for a public secondary school within their community and upon recommendation of the local DepEd officials that there is a need to establish a new high school in a new location within the City Center to cater to the excess enrolment of the existing Iligan City National High School which is currently congested and the quality of education is suffering.

Barangay Tambacan is considered one of the big urban barangay that is situated in the coastal part of the City of Iligan. While it is proximate to the City Center, majority of the population of Barangay Tambacan is living below the poverty line and approximately 65 % of their population of 10,570 is of school going age. The people are engaged mainly in marginal fishing, ambulant vending, workers and employees in the various private and government offices in the City.

In this context, it was humbly proposed to the distinguished Members of the Twelfth Congress of the Philippines and now to the Honorable Members of the Thirteenth Congress for the immediate approval of this legislative proposal.
