HOUSE OF REPRESENTATIVES

THIRTEENTH CONGRESS
FIRST REGULAR SESSION

HOUSE BILL NO. 463

INTRODUCED BY HONORABLE ALIPIO CIRILO V. BADELLES

EXPLANATORY NOTE

This is a re-filed legislative proposal enrolled in the Twelfth Congress as House Bill No. 6103 (originally registered as HB No. 2093) in response to the educational needs of the residents of Barangay Abuno.

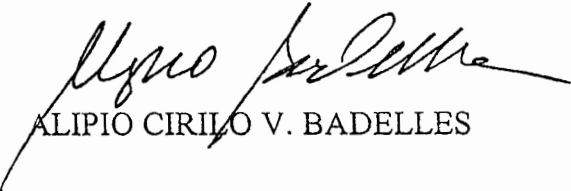

This legislative measure proposes to separate the existing Tipanoy National High School-Annex, from the mother school, the Tipanoy National High School (a.k.a. Acelo Badelles Memorial High School) located in Barangay Tipanoy, Iligan City. These schools are sharing one budgetary allocation from the national government and have hindered their academic growth and development.

This legislative proposal is anchored on three (3)-compelling reasons:

1. To provide each school its own distinct identity;
2. To provide each high school separate and distinct budgetary allocations in the General Appropriations Act amounting to P 4,744,000, FY 2004 GAA as re-enacted;
3. To enhance the unhampered growth and development of both schools;

Moreover, Barangay Abuno is situated in the hinterlands bordering the interior Municipality of Tagoloan, Province of Lanao del Norte. It is imperative that the barangay should have its own public high school that will cater to the graduates of public elementary schools in the area because the mother school is about 15 kilometers away. In addition, the cost of daily transportation to the nearest public secondary school is an additional burden to the parents who are mostly marginal farmers.

It is fervently proposed to the distinguished members of the Thirteenth Congress of the Philippines for the immediate approval of this legislative proposal.
