

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

THIRTEENTH CONGRESS
FIRST REGULAR SESSION

HOUSE BILL NO. 664

INTRODUCED BY HONORABLE ALIPIO CIRILO V. BADELLES

EXPLANATORY NOTE

This is the second re-filing of this legislative proposal that was passed by the House of Representatives on October 10, 2003 and transmitted to the Philippine Senate during the Third Regular Session of the Twelfth Congress as House Bill No. 6102 (originally enrolled as HB No. 1100).

Nevertheless, due to the determined efforts of the barangay officials together with concerned residents of Barangay Santiago, this public secondary school was established and has operated as an annex of the Iligan City East National High School.

It is in this context that this legislative is being refiled to separate the existing Santiago High School-Annex from the mother school, the Iligan City East National High School located in Barangay Hinaplanon, Iligan City. The Santiago High School and 3 other public secondary schools are sharing one budgetary allocation from the national government with the mother school and have hindered growth and development of these schools.

This legislative proposal is anchored on three (3)-compelling reasons:

1. To provide each school its own distinct identity to correct the prevailing confusion among students, teachers, parents and the community each school serves;
2. To provide each high school separate and distinct budgetary allocations amounting to P 17,679,000, FY 2004 GAA as re-enacted;
3. To enhance the unhampered growth and development of both schools;

Approval of this measure is earnestly enjoined.
