THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 757

Introduced by: HON. HERMINIA M. RAMIRO

EXPLANATORY NOTE

The residents of Barangay Tabid in the City of Ozamiz, Province of Misamis Occidental, had been clamoring for the establishment of a national high school in the said area. As a concrete gesture to this popular clamor, the City Government of Ozamiz passed a Resolution seeking the establishment of a national high school in the said barangay justifying that need of such establishment which will also greatly benefit other neighboring barangays, since the central school is located in Barangay Tabid and the main place of neighboring barangays.

It is worthy to mention that the Constitution mandates the State to establish and maintain a system of free public education in the elementary and high school levels and to take appropriate steps to make education accessible to all. These mandates led to the enactment of Republic Act No. 6655 otherwise known as the "Free Secondary Education Act of 1988". The government, in effect, assumes the responsibility of ensuring every Filipino youth, who has completed elementary education, to have access to secondary level of education through public high school.

Barangay Tabid once had a high school but was closed in 1973 due to the financial incapacity of the local government unit to support the maintenance and operation of the Tabid High School.

The establishment therefore, of the Tabid National High School will not only be a concrete step to realize the noble intent of RA 6655 but also a timely gesture to the persistent calls of poor residents of this barangay, whose dire need of education has been barred by poverty.

In view of the foregoing reasons, the immediate approval of this bill is earnestly sought.
