HOUSE BILL NO. 759

Introduced by: HON. HERMINIA M. RAMIRO

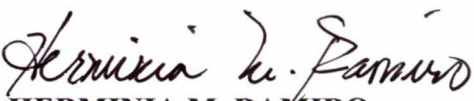

EXPLANATORY NOTE

The Division of City Schools in the City of Tangub, Province of Misamis Occidental, which was created by virtue of Republic Act No. 5131 otherwise known as the Tangub City Charter, was phased out in 1985 due to the non-compliance with the required minimum number of teachers. This move has caused the splitting of the administration and supervision of schools in Tangub City. Under the existing set-up, the seven (7) nationalized high schools are under the administration of the DECS Provincial Schools Division of Misamis Occidental based in Oroquieta City, which is sixty-two (62) kilometers away from Tangub City. However, the secondary and elementary schools are administered and supervised by the Division of City Schools in Ozamiz City. This set-up has brought confusion and inconvenience not only to the school authorities but also to the people, who have transactions in such office.

This bill seeks to restore the Division of City Schools in the City of Tangub due to the compliance with the required number of teachers, which was the reason for abolishing this division. The City Government of Tangub has long been clamoring for the restoration of this schools division to the city. In fact, it is included in the Ten (10) Year Medium Term Development Plan of Tangub City in order to achieve its vision to make Tangub City the center of education in Northwestern Mindanao. To show its desire and readiness, the City of Tangub has provided convenient sites for the intended City Schools Division Buildings and modern facilities to cater to the needs of its constituents and its neighboring places.

It is also important to note that the restoration of the Division of City Schools will not only fast track the administrative and supervisory services but also expedite the delivery of educational programs and projects due to its accessibility and proximity to the service area.

In view of the foregoing reasons, the immediate approval of this bill is earnestly sought.
