House Bill No. 834

Introduced by Honorable Gilberto C. Teodoro, Jr.

EXPLANATORY NOTE

This bill seeks to establish a National High School in Barangay Calipayan in the Municipality of Sta. Ignacia, Province of Tarlac, to be known as the Calipayan National High School.

The establishment of a public secondary school will cater to the students of Barangays Timmaguab, Calipayan and San Sotero which, according to survey, a bulk of students who are now enrolled at private high schools at the Poblacion come from these three barangays which is at least ten (10) kilometers away.

With the annual increase of elementary school graduates coming from the neighboring barangays of Timmaguab, Calipayan and San Sotero, the establishment of a national high school will make education more accessible to a considerable number of young students, most of whom coming from poor families or belonging to the marginalized sectors of society. Hence, the imperative need for the establishment of a national high school to provide the youth, especially the underprivileged with access to low-cost but high quality public secondary education.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
