HOUSE BILL NO. 863

Introduced by Representative Faysah RPM Dumarpa

EXPLANATORY NOTE

This Bill seeks the conversion of Lumba-Bayabao Provincial Road in the Municipality of Lumba-Bayabao, Province of Lanao del Sur into a National Road.

The Provincial Road in the Municipality of Lumba-Bayabao, Province of Lanao del Sur is, up to this time is giving burden not only to the people residing in the municipality but also to other commuters who are using this road everyday going to other points of the province. The road is dusty during summer season and muddy when the rainy season comes, thus giving a lot of discomfort and headache to all people passing this road towards their respective destinations.

Since the country is in full force in its aim towards economic development and progress, it is imperative that our government must also secure the improvement of our roads and highways that are vital to the delivery of goods and services and to give people easy access to their respective destinations. The conversion of this road will surely spur economic viability not only in the Municipality of Lumba-Bayabao, but also to the Province of Lanao del Sur.

It is in this context that the conversion of this road should be given full attention in order to put to a stop its ailing condition which would in turn give breath to all commuters and spur economic activity to the municipality.

In the light of the foregoing, the immediate passage of this bill is earnestly sought as this was already *approved by the Lower House in the 12th Congress and was on its third reading at the Senate.*
