13TH CONGRESS

First Regular Session

HOUSE BILL NO. 908

Introduced by **Honorable Rolex T. Suplico**

EXPLANATORY NOTE

This bill is seeking to convert the Land Transportation Extension Office, Located in Barotac Viejo, in the province of Iloilo, into a regular "Class D" District ,Office to be known as the Land Transportation District Office, Barotac Viejo, Iloilo.

The upgrading of the LTO extension office has a three-fold purpose, to wit: (1) the rendering of better public service; (2) rational viability: and (3) economic viability.

LTO Barotac Viejo has an average annual volume for motor vehicle registration and driver licensing of five thousand one hundred sixty (5,160) transactions; and an annual revenue collection of one million six hundred thousand pesos (P1,600,000.00). As can be seen by these figures, the LTO extension office carries a large volumes of transaction, and is continually growing.

There are only two (2) regular LTO District Offices in the Province of Iloilo. With the conversion of the subject extension office to a regular district office, the Province will now have (3) district office, thus, would greatly help the other two (2) district offices with the daily transactions of motor vehicle transaction and driver licensing.

This measure is intended to address the logistical and administrative difficulties experienced by the subject extension office due to the increasing population of more than forty thousand (40,000) and motor vehicles in the locality. This bill will, therefore, provide a more effective, speedy and efficient supervision and administration of motor vehicle and driver licensing transactions.

In view of the foregoing reasons, immediate approval of this bill is strongly recommended.

Congressman, 5th District of Iloilo
