13TH CONGRESS

First Regular Session

HOUSE BILL NO. 912

Introduced by **Honorable Rolex T. Suplico**

EXPLANATORY NOTE

This proposed bill seeks to convert the Batad-Da-an Banwa-Estancia Road in the Municipalities of Batad and Estancia, Province of Iloilo into a national road.

For decades now, the condition of this vital road of Batad and Estancia, Iloilo has been that of either a dusty or muddy pot-holed road. This is because of the inability of the local government to provide funds to have it repaired and maintained, much less asphalted. As a result, commuters have been having a very hard time negotiating the distance. Moreover, an increase in cases of vehicle breakdown and in respiratory diseases had been noted. Also, the subject road is a major thoroughfare used in commerce. The vehicles traveling this road had been increasing at a steady rate.

The conversion into a national road would surely ease the burden of commuters as well as commercial vehicles and thus, spur economic development in the locality.

Hence, early approval of this Bill is earnestly sought.
