

Republic of the Philippines

THIRTEENTH CONGRESS

First Regular Session

House Bill No. 951

Introduced by REP. JUDY J. SYJUCO

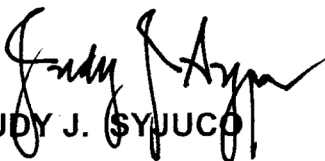

EXPLANATORY NOTE

This bill seeks to convert the Cabilauan-Zarraga Road in the municipalities of New Lucena and Zarraga respectively, all in the Province of Iloilo, into a national road.

The road was primarily constructed to facilitate the flow of commerce and trade into the countryside to trigger economic growth and social stability. Also, it was intended to stem the tides of discontent among residents in the area and uplift their chances of having a better livelihood. Since then, it has effectively become a major transit point in the industry of the region. It is a mid access road from New Lucena via Cabilauan to the municipality of Zarraga leading to Iloilo City and coastal road.

Sadly, however, maintenance of this road cannot be given foremost priority because of budgetary constraints. Only funding allocation from the national government can maintain the worthiness of this major thoroughfare.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
