

Republic of the Philippines

THIRTEENTH CONGRESS

First Regular Session
House Bill No. **954**

Introduced by REP. JUDY J. SYJUCO

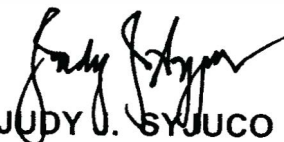

EXPLANATORY NOTE

This bill seeks to convert the Balabag-Buyo Road in the municipalities of Pavia and Sta. Barbara respectively, all in the Province of Iloilo, into a national road.

The road was primarily constructed to facilitate the flow of commerce and trade into the countryside to trigger economic growth and social stability. Also, it was intended to stem the tides of discontent among residents in the area and uplift their chances of having a better livelihood. Since then, it has effectively become a major transit point in the agricultural industry of the region. It is considered as the access road of the Regional Agro Industrial Center.

Sadly, however, maintenance of this road cannot be given foremost priority because of budgetary constraints. Only funding allocation from the national government can maintain the worthiness of this major thoroughfare.

In view of the foregoing, the immediate passage of this bill earnestly sought.
