House Bill No. 975

Introduced by: **Rep. Reynaldo S. Uy, M.D.**

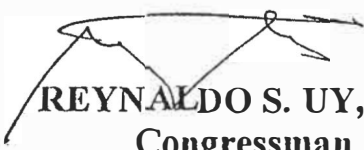

EXPLANATORY NOTE

This bill seeks to establish a national high school in the City Proper, Calbayog City, Province of Samar, to be known as the Calbayog City High School.

The City of Calbayog had opened a City High School during SY 1950-1951 but it was closed three (3) years later due to lack of funds. It should also be noted that Calbayog City is the only city in the region which does not operate a high school. The poor secondary students who cannot afford to enroll in the private schools operating in the City either quit schooling or are forced to study in the national high schools which are quite far from the City Proper.

It is therefore necessary to establish a national high school within the City Proper to accommodate the increasing student population. This will motivate the youth to go to school and in turn help solve the literacy problem. By creating this national high school, the dream of parents in Calbayog City to have an accessible education for their children will be fulfilled.

In view of the foregoing, the immediate approval of this bill is earnestly requested.
