THIRTEENTH CONGRESS
First Regular Session

House Bill No. 976

Introduced by: Rep. Reynaldo S. Uy, M.D.

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay Migara, Calbayog City, Province of Samar, to be known as the Migara National High School.

Migara is a barangay located twenty (20) kilometers away from the city where the nearest private high school is located. The poor secondary students who cannot afford to enroll in the private schools operating in the City either quit schooling or are forced to study in the national high schools which are quite far from Migara. By reason of distance, many of its youth and those of the nearby barangays find it difficult to avail of secondary school education after graduating from elementary schools.

With the barangay's growing population, it is important that a national high school be established. This will motivate the youth to go to school and in turn help solve the literacy problem in rural areas. By creating this national high school, the dream of parents in Migara to have an accessible education for their children will be fulfilled.

In view of the foregoing, the immediate approval of this bill is earnestly requested.
