Tulaed, Municipality of Mayoyao, Province of Ifugao from its mother school and converting the same into a separate and independent National High School to be known as TULAED NATIONAL HIGH SCHOOL.

The Mayoyao National High School – Annex was established in June, 1993 and since then it continuously maintaining a good number of students population up to the present. In fact, the school has gone long way to spur educational enhancement activities. An evidence of which is the fact that its nine (9) years of service to the community, its programs, activities, policies and teaching capabilities still resound with vitality and importance in the process of developing the youth and enhancing their skills and capabilities to ensure a better preparation for further educational endeavor.

The separation of the Mayoyao National High School – Annex from its mother school which is located thirty one (31) kilometers away from the latter is doubly significant to intensify its programs/activities with the end view of harnessing the broader participation of the youth and the education to the marginal sector of the Filipino youth.
