

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

THIRTEENTH CONGRESS
First Regular Session

House Bill No. 1048

Introduced by Hon. Solomon R. Chungalao

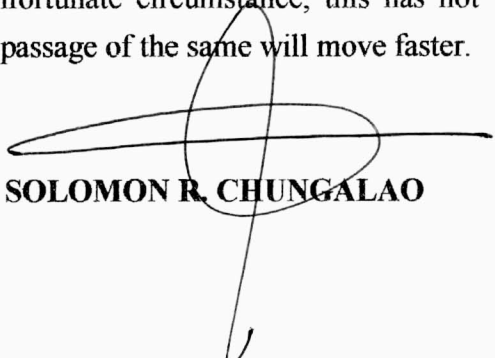

EXPLANATORY NOTE

This bill seeks to create a regular barangay constituting the sitios of **Dugong, Linog, Mappit, Binablayan, Lubulub, Nad-og, Guihingin and Hicot**, all in the Municipality of Kiangnan, Province of Ifugao, to be known as **Barangay MAPPIT**.

The geographical area covered by the above sitios aside from being contiguous, is populated by the Ayangan Tribe which is distinct from the Tawali tribe which populate the surrounding barangays, in customs, traditions and way of life. It is mainly for this reason that these sitios be separated from the tawali communities and constituted as a separate barangay to help enable them to preserve their distinct culture, customs and traditions.

Furthermore, it has been observed that the barangays under the sixth and fifth class municipalities experience a snail-pace of development unless they are provided with regular Internal Revenue Allotment (IRA) allocation.

Therefore, in order to fast track the socio-economic, cultural and political development of said Barangay, approval of this bill is earnestly sought. In fact, this bill has been filed in the last Congress but due to unfortunate circumstance, this has not moved forward. It is hope that this time, immediate passage of the same will move faster.
