THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1058

Introduced by Honorable Solomon R. Chungalao

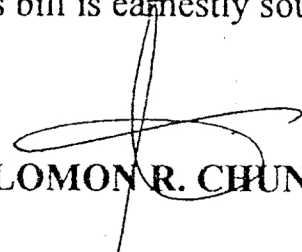

EXPLANATORY NOTE

This bill seeks to separate the Ayangan National High School - Annex in Barangay Caba, Municipality of Lagawe, Province of Ifugao into an independent National High School to be known as the Caba National High School.

The creation of the said national high school will appropriately answer the popular clamor and petition of the residents of the area, where majority of the people belong to the very low income group. Sending their children to the capital town of Lagawe, the nearest high school which is nine kilometers away is expensive and stiffly difficult by the parents to fulfill their obligation in maintaining and closely supervising their children. Such problem has caused big number of student drop-outs from the place thereby leading to another problem of social disturbance.

The approval of this bill is the government's lasting commitment for the provision of adequate and quality basic education especially to rural and depressed communities. In fact, this has been filed in the last congress but due to unfortunate incidence, this has not moved forward. It is our fervent hope that this time, passage of the same will move faster.

It is for the foregoing reasons that approval of this bill is earnestly sought.
