HOUSE BILL NO. 1055

Introduced by Honorable Solomon R. Chungalao

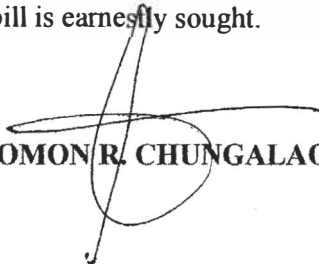

EXPLANATORY NOTE

This bill seeks the establishment of a national high school in Barangay Boliwong, Municipality of Lagawe, Province of Ifugao.

Barangay Boliwong is one of the upper Ayangan barangays in the north-eastern part of Lagawe Municipality. The people in the area depend largely on farming as their means of livelihood and could hardly afford to send their children to pursue high school education. With their financial predicaments, the distance to the nearest high school located at the Poblacion which is five kilometers away has always been a big factor of student drop-outs coming from said locality. In the case of student enrolment, aside from the Boliwong Elementary School itself, there are four other public elementary schools to serve as enrolment feeders, namely, Montabiong, Juchong, Abinuan and Bumay Elementary Schools. As to its school site, there is already the existing school owned by the Boliwong Elementary School, District of Lagawe consisting of two hectares land area.

The creation of said national high school will certainly provide access to basic education for the people of upper Ayangan and thus enhance their socio-economic welfare of the community residing therein.

With the foregoing justifications, approval of this bill is earnestly sought.
