THIRTEENTH CONGRESS  
First Regular Session  
HOUSE BILL NO. 1060

---

Introduced by Cong. LORNA C. SILVERIO

**EXPLANATORY NOTE**

This bill under consideration seeks to establish a national high school at Friendship Village Resources Phase I, Tigbe, Norzagaray, Bulacan, to be known as FVR National High School.

At present, there already exists a temporary high school in the area after the massive resettlement of families from different places in Metro Manila due to the implementation of the DPWH floodway project.

With the increasing number of families, it is expected that the number of students will also increase. Thus, the establishment of a national high school to be known as the FVR National High School, is imperative if only to give meaning and substance to the policy of the State to promote inexpensive but quality education to all particularly to the underprivileged.

It will be recalled that the proposed bill was approved on third and final reading during the Twelfth Congress but due to lack of material time, not approved by the Senate, although already approved on second reading.

Approval of this bill is highly recommended.
