THIRTEENTH CONGRESS

First Regular Session

House Bill No. 1086

Introduced by **REPRESENTATIVE EDGAR T. ESPINOSA**

EXPLANATORY NOTE

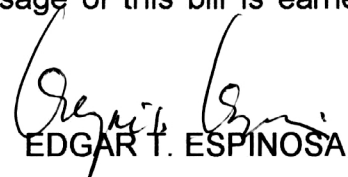

To further spur growth in a poor province such as Guimaras, the improvement of the quality of education is a vital component in the socio-economic development of its people. There is no doubt that education strengthens the human development potential of the people to become productive members of the community.

Article XIV, Section 1 of the Constitution provides that the State shall protect and promote the right of all citizens to quality education at all levels and shall take the appropriate steps to make such education accessible to all.

This bill thus seek to separate the Nueva Valencia National High School – Calaya Extension at Barangay Calaya in the Municipality of Nueva Valencia, Province of Guimaras, from its mother school, the Nueva Valencia National High School, and convert it into an independent national high school to be known as the Calaya National High School.

The extension secondary school at Barangay Calaya in the Municipality of Nueva Valencia, Province of Guimaras which was established for almost ten (10) years, has steadily increased its student population and consequently, a corresponding increase in its student population and consequently, a corresponding increase in faculty and personnel. The current size of the enrollment and the personnel component qualifies the said school to stand as a distinct and separate high school. Supervision and administration of the school will be improved if there is another Secondary Head Teacher stationed in the proposed school.

From the foregoing reasons, immediate passage of this bill is earnestly sought.
