

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1093

INTRODUCED BY HONORABLE ANTONIO P. YAPHA JR., MD

EXPLANATORY NOTE

This Bill seeks the conversion of the Toledo City Science High School into a national high school to be known as the Toledo City National Science High School.

The Toledo City Science High School was established to prepare the students in the field of science and technology. It is an institution envisioned to develop the spirit of inquiry and analytical mind among its students – intellectual skills which can be applied in their everyday life and which can benefit the State in the future.

It is unfortunate that the Toledo City Science High School is beset with so many problems that hamper the effective fulfillment of its visions and goals. The school is located in a mountainous terrain, making its accessibility to the students and teachers difficult. This, however, pales in comparison to the lack of classrooms and facilities. Since 1996, three (3) school year levels have been sharing two (2) partitioned classrooms. And the school does not have sufficient library books, laboratory equipment and other educational aids that would have enhance the learning of the students.

Thus, the passage of this Bill is urgently sought in order for Toledo City Science High School to fully fulfill its mandate.
