HOUSE BILL NO. 1094

INTRODUCED BY HONORABLE ANTONIO P. YAPHA JR., MD

EXPLANATORY NOTE

This bill seeks the separation of the Guibugan National High School Extension from the Patupat National High School and its conversion into an independent national high school to be known as the Guibugan National High School in Guibugan, Barili, Cebu.

The right to education is a basic human right enshrined in our Constitution and should be duly recognized. Education is an effective tool not only for molding the values of our youth but also for developing their learning abilities. This quest for a quality and affordable education is the primordial reason for the establishment of schools and educational facilities nationwide.

The Guibugan National High School has been in existence since June, 1993, serving hundreds of students in Barangay Guibugan and the neighboring barangays. The separation of and conversion into an independent national high school of Guibugan National High School Extension would streamline the bureaucracy with the ultimate aim of according the Filipino youth quality, relevant and affordable education, thereby resulting in a more effective and efficient implementation of the education program .

In view of the foregoing reasons, the passage of this bill is urgently sought.
