House Bill No. 1135

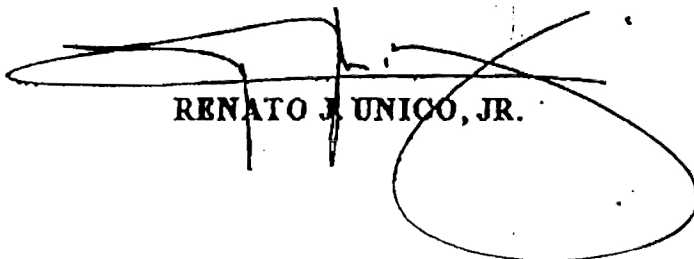

Introduced by **Representative Renato J. Unico, Jr.**

EXPLANATORY NOTE

This bill seeks to convert the San Isidro High School located in the Municipality of San Lorenzo Ruiz, province of Camarines Norte, into a National High School to be known as the San Isidro National High School.

The town of San Lorenzo Ruiz in the province of Camarines Norte is composed of several barangays and barangay San Isidro is one of the most agriculturally productive barangays of this municipality with abundant crop harvest of delectable pineapple, copra and high-quality rice. Majority of its residence are engaged in farming and carpentry. They are hardworking, highly motivated, good natured and easy to get along with. Barangay San Isidro has invited the influx of migrant from nearby barangays seeking livelihood opportunity which many of them opted to settle thereat. This has brought about the increase in population with its concomitant additional needs. One of these is a National High School. Due to gargantuan population of high school students, the rise in cost of travel fares and the meager income of their families, many of these youth, especially in Barangay San Isidro and the adjacent barangays, have been deprived of education. This bill seeks to address this concern.

In view of the foregoing considerations, the immediate passage of this bill is earnestly requested.
