House Bill No. 1138

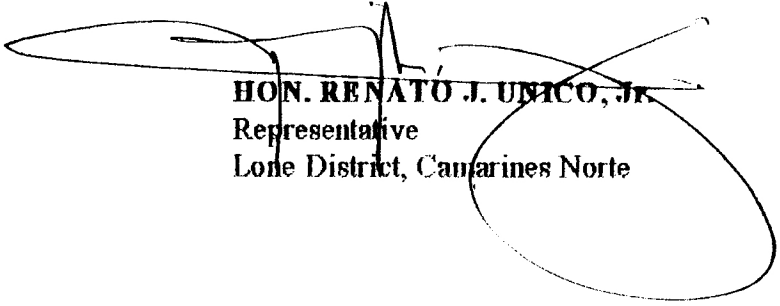

Introduced by **Representative Renato J. Unico, Jr.**

EXPLANATORY NOTE

This bill seeks to convert the Fernando V. Pajarillo Avenue in the Province of Camarines Norte from a provincial road to a secondary national road.

The significance of roads in the development of rural areas is paramount. More so is in agriculture-based municipalities, where transporting of local produce greatly impacts on their economic growth.

Considering the limited fiscal resources available to the province of Camarines Norte vis-à-vis the cost of maintaining its network of roads, it is earnestly sought that approval of this bill be given top priority.
