THIRTEENTH CONGRESS
First Regular Session

House Bill No. 1161

Introduced By Honorable ELADIO M. JALA

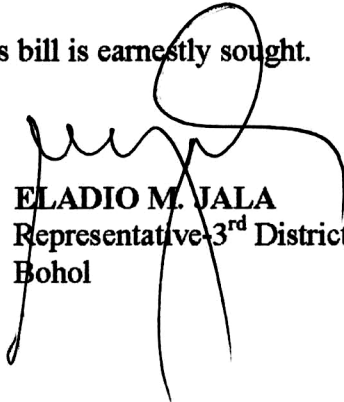

EXPLANATORY NOTE

It is the objective of this bill to establish a national high school in Barangay Concepcion, Municipality of Mabini, Province of Bohol.

Education must be available to all, especially to the young and underprivileged sector of society. Government should make education accessible and affordable to the people in the barangay. Distance or remoteness should not be made a hindrance to success in education. Hence, schools should be established in the countryside in order to encourage our youth to pursue their studies without much expense.

The proposed secondary school is far from an existing public high school.

In the light of the foregoing, approval of this bill is earnestly sought.
