House Bill No. 1167

Introduced By Honorable ELADIO M. JALA

EXPLANATORY NOTE

This bill seeks to convert the Dusita High School in Sierra-Bullones, Bohol into a national high school to be known as the Dusita National High School.

The Dusita High School is a newly-established school which has been rendering educational service among the people of Barangay Dusita. The teachers who have just been hired are still province-paid.

The barangay administratives concerned want the said school to avail of the benefits from the National Government considering the municipality's financial capability and the limited financial assistance they can obtain, if any, from the municipal government of Sierra-Bullones, Bohol.

The proposed conversion of the Dusita High School into a national high school, therefore, could be one of the most viable solutions. The conversion of the existing school will expand and improve the facilities therein since it can now enjoy the financial support from the national government through the Department of Education, Culture and Sports (DECS). Additionally, the conversion would open the door for the students to have access to a standard education at par with those enrolled in other national high schools in the province and elsewhere in the country which enjoy the support of the national government.

Immediate approval of this bill is therefore earnestly requested.
