House Bill No. 1174

Introduced by Hon. Corazon T. Nunez-Malanyaon

EXPLANATORY NOTE

The New Local Government Code (Republic Act No. 7160) mandates the enhancement in the delivery of basic services while RA 4136, otherwise known as Land Transportation and Traffic Code likewise decrees the actual ocular inspection of motor vehicles prior to registration to determine its roadworthiness.

In compliance with these mandates, the Land Transportation Office established an extension office in the Municipality of Baganga being a growth center in the first district of Davao Oriental. As years pass by, the volume of transaction increases and there is now a public demand to convert the LTO Extension Office into a District Office. This is designed to serve the needs of the motoring public in such matters as the application or renewal of licenses, registration of vehicles, clearances and like permits relative to land transportation

For this reason, the conversion of the Extension LTO Office into a separate and distinct District office would be a step toward effectiveness and efficiency in the delivery of government services, hence this bill.

Therefor, approval of this bill is earnestly sought.
