First Regular Session

House Bill No. 1176

Introduced by Honorable Corazon T. Nuñez-Malanyaon

EXPLANATORY NOTE

This bill seeks to convert the existing provincial and barangay roads from Tambo San Ignacio, Highway Junction to Barangay Old Macopa to Barangay Taocanga then down to Barangay Rizal, Barangay Capasnan, Barangay Lambog, Barangay Del Pilar, Barangay Cayawan to Barangay Central located in the Municipality of Manay first District of Davao Oriental into a National Highway Circumferential Road.

Road networks serve not only as vital links in the smooth delivery of basic goods and services to the constituency but they also contribute to the overall social and economic development of the district. They likewise facilitate communication and transportation, and enhance the mobility of the people. Conversion of these roads will hasten development of these areas paving the way for tourism and economic prosperity. The conversion of this road will also hasten economic activities in the barangays and municipalities being traversed. It will also provide vital access to and from the neighboring provinces of Compostela Valley, Davao del Norte and the provinces in the Caraga Region.

The provincial government's locally generated funds are already very limited. Instead of being channeled directly to more beneficial services to the people, the bulk of the scarce funds is used up just for the upkeep of the road. So that the provincial government becomes better able to address the immediate and important needs of the people of the First District of Davao Oriental, it is therefore imperative that this bill be filed.

In view of the importance of this bill, approval is earnestly sought.
