

THIRTEENTH CONGRESS

First Regular Session

House Bill No. 1179

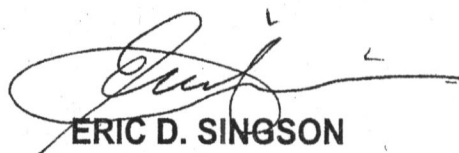

Introduced by Hon. Eric D. Singson

EXPLANATORY NOTE

This bill seeks the creation of a new barangay in the Municipality of San Emilio, Ilocos Sur, by separating Sitio Mangmanga from its mother barangay, Bgy. San Miliano, to be called Barangay Mangmanga.

The proposed barangay is populated mainly by folks belonging to the Bago Tribe. It is located farthest from the mother barangay's center of activities and is practically separated by several creeks. This isolation poses a problem especially in the delivery of goods and basic services during calamities. Residents of this sitio are capable enough to handle efficient and effective administration upon its creation. Its creation, however, will not have any effect on the day to day activities of what will be left of Barangay San Miliano.

The separation of Sitio Mangmanga as an independent barangay will redound to the benefit of its residents. Hence, approval of this bill is earnestly requested.
