House Bill No. 1201

Introduced by Rep. Manuel “Way Kurat” E. Zamora and Rep. Prospero S. Amatong

EXPLANATORY NOTE

The creation of Compostela Valley Province from the Province of Davao del Norte by virtue of Republic Act No. 8470 on January 30, 1998, necessitates the establishment of a Provincial Registry of Deeds. As the new province grapples with the problems of its corporate and legal existence, the need for the services of this government agency could spell the difference between chaos and order with respect to land claims and disputes and other registration transactions among its populace. It can no longer depend on the services offered by its mother province as this would be impractical and a violation of its mandate as an independent political subdivision.

Apart from the geographical necessity, the establishment of a Registry of Deeds is also justified, among others, by the following reasons: the proliferation of both urban and agricultural subdivision projects; the need to attend to title transfers; the issuance of Emancipation Patents and Certifications of Land Ownership Award pursuant to the agrarian reform program of the government; the establishment of branches of different banks; the creation of loaning companies; and the increase of trading transactions.

As explained, the Registry’s impact on the social and economic aspects of the people’s lives is indispensable. Trite as it may seem, it does not even require any argument to advance the necessity and beneficiality of the proposition. What is essential is how soon it can be realized.

In view of the foregoing, the passage of this bill is urgently requested.
