House Bill No. 1202

Introduced by Rep. Manuel "Way Kurat" E. Zamora and Rep. Prospero S. Amatong

EXPLANATORY NOTE

The creation of Compostela Valley Province from the Province of Davao del Norte by virtue of Republic Act No. 8470 on January 30, 1998, was overwhelmingly ratified by the populace who wanted to independently chart their political destiny. It was unintended, however, that the law did not include the creation of provincial branches of important national offices. Three years into its infancy, the new political subdivision is feeling the pinch of not having her own budgetary allocation and the physical infrastructure for these offices. The need for their establishment and institutionalization will not only help the wheels of governance run smoothly but will also alleviate the geographical perplexity being felt by the residents who have to travel great distances in neighboring provinces to transact official business.

In line with the preceding, this bill proposes the creation of a Land Transportation Office in Compostela Valley Province. The establishment of said government agency will facilitate the residents' acquisition of driver's licenses as well as the registration of motor vehicles and other transport services. It will also prevent illegal activities concerning the conveyance, transfer, sale or possession of vehicles.

The passage of this bill is urgently requested.
