HOUSE BILL No. 1231

Introduced by: **HON. FELIX R. ALFELOR, JR.**

EXPLANATORY NOTE

This bill was filed with the 12th Congress as House Bill No. 2600 with the following explanatory note:

“This bill seeks to convert the BUHI – TAMBO – TUBIGAN ROAD, presently classified as a provincial road into a National Secondary Road.

The provincial road, which is a fourteen (14) kilometer roadway (km. 500.300 to km. 14.300) is composed of 5.4000 kms. Concrete road, 0.300 kms. Asphalt pavement, 5.300 kms. gravel and 3.000/kms. Earth roads.

The worsening road condition is mainly attributable to the inadequacy of funding for the maintenance, repair and rehabilitation of this road network. The people in the area had been complaining due to the great difficulty they had experienced in traversing this route. Likewise, the farmers and small entrepreneurs complained of the difficulty in transporting their farm produce to the business center.

The conversion of this road into a national secondary road is a concrete gesture of support by the government to the people in the area as it would only mean proper maintenance, repair and rehabilitation for their great benefit.”

In view of the foregoing reasons, the approval of this bill, which was filed before the 12th Congress but was not acted upon its adjournment, is earnestly sought.
