THIRTEENTH CONGRESS
First Regular Session
HOUSE BILL No. 1239

Introduced by: HON. FELIX R. ALFELOR, JR.

EXPLANATORY NOTE

This bill was filed with the 12th Congress as House Bill No. 2602 with the following explanatory note:

“This bill seeks to convert the IRIGA CITY – BUHI – LIDONG (ALBAY BOUNDARY) ROAD, presently classified as a provincial road into a National Secondary Road.

The IRIGA CITY – BUHI- LIDONG (ALBAY BOUNDARY) ROAD is a twenty (20) kilometer roadway (km 470.830 – km 492.830) that interconnects the City of Iriga (from Barangays San Francisco, Sto. Domingo, Santiago, San Ramon) to Buhi (Barangays Peñafrancia, San Rafael, San Francisco, San Vicente, San Antonio) culminating at the Camarines Sur – Albay Provincial Boundary at Barangay Lidong, Municipality of Polangui, Province of Albay. This route connects the rich farmlands in the northeastern side of the 4th District of Camarines Sur to the equally abundant key grains production areas of the 3rd District of Albay.

The existing roadway is a provincial road characterized by deeply rutted and potholed gravel road rendered impassable during recurring floods. The improvement, repair and maintenance is non-existent due to the financial incapacity of the provincial government to maintain the said road.

The conversion of this road into a national secondary road is a concrete gesture of support by the government to the people in the area, as it would only mean proper maintenance, repair and rehabilitation for their great benefit.”

In view of the foregoing reasons, the approval of this bill, which was filed before the 12th Congress but was not acted upon its adjournment, is earnestly sought.
