HOUSE BILL No. _____

1235

Introduced by: HON. FELIX R. ALFELOR, JR.

EXPLANATORY NOTE

This bill was filed with the 12th Congress as House-Bill No. 2601 with the following explanatory note:

“This bill seeks to convert the TANDAAY (NABUA) LIBON (ALBAY BOUNDARY) ROAD, presently classified as a provincial road into a National Secondary Road.

The provincial road is a twenty (20) kilometer roadway, which represents around 10% of the 197.082 kms of provincial roads in the 4th District of Camarines Sur.

If properly repaired/rehabilitated and maintained, this road provides an alternate route to that of the Maharlika Highway and will enhance its utility as a secondary trunk line connecting the municipalities of Bula, Balatan, Bato and Nabua on the Camarines Sur side to its farthest point which is the municipality of Libon in the 3rd District of Albay.”

It is therefore in the interest of providing the requisite infrastructure, and if already existing, adequate maintenance and necessary improvement of such important access will result in further spurring agricultural growth, economic development and profitable mobility of the populace, that the approval of this bill is earnestly sought.
